Scholars of Western political thought are of opinion that both Renaissance and Reformation have contributed a lot to the emergence of modern political thought. These two released political theory or thought from the octopus of religion and superstition. It is true that these two movements could not establish secularism in politics, but as a result of Renaissance and Reformation the church was forced to give up its claim over politics. Church and papacy were forced to remain satisfied with ...

A History of Political Thought is, though, a book of two halves, and so far I have described only the second. The first half documents Browning's 'determination to get to grips' with what he calls the question of interpretation (p. 2). To this end he surveys what he sees as the main figures in interpretation debates: Hegel and Marx, Oakeshott and Collingwood, Skinner (and the ...
