Stylish and full of technology, the Vado Elegance Speckled Black electric shower will not only update your bathroom, it will give you a warming shower every time. With soft press illuminated buttons, you can control the temperature and power it on and off with ease. There's also a handy low pressure indicator and a power on indicator.

Vado Elegance Speckled Black Electric Shower Kit | Drench

Electric Showers An electric shower is great for the modern, energy conscious family home and has multiple benefits. It runs off just the cold water supply and much like a kettle, only heats up the water when you actually use it. This will save you money on your energy bills because you are not heating up water that you won't use.
