From Urban Village To East

From Urban Village to East Village is a formidable achievement." Progress in Human Geography ./ "As one who has done community studies, my first reaction to Janet Abu-Lughod's ambitious volume about New York's Lower East Side was frankly one of jealousy. I envy her the cadre of able student ethnographers that she was able to field.

From Urban Village to East Village - Janet L Abu-Lughod ...

A village is a clustered human settlement or community, larger than a hamlet but smaller than a town (although the word is often used to describe both hamlets and smaller towns), with a population typically ranging from a few hundred to a few thousand. Though villages are often located in rural areas, the term urban village is also applied to certain urban neighborhoods.

Village - Wikipedia

Developers are moving ahead with a proposal to construct a massive “urban village” in East New York, which would bring an influx of discounted housing and a slew of state-of-the-art amenities to a coastal stretch of one of the borough’s poorest neighborhoods.
