Our Common Future Oxford Paperbacks | booktorrent.my.id

In Our Common Future, the Commission serves notice that the time has come for a marriage of economy and ecology, so that governments and their people can take responsibility not just for environmental damage, but for the policies that cause the damage. It is not too late to change these policies; but, it warns, we must act now.

Our Common Future World Commission on Environment and Development. Documenting the findings of the World Commission on Environment and Development--a committee created by the U.N. General Assembly in 1983 and headed by Gro Harlem Brundtland, the Prime Minister of Norway--Our Common Future reexamines the issues and problems of global environment and development to the year 2000 and beyond in ...

Our Common Future - Oxford University Press

the time has come for higher expectations, for common goals pursued together, for an increased political will to address our common future. There was a time of optimism and progress in the 1960s, when there was greater hope for a braver new world, and for progressive international ideas. Colonies blessed with natural resources were becoming ...

Our Common Future Oxford Paperbacks [EPUB]

Most of today's decision makers will be dead before the planet suffers the full consequences of acid rain, global warming, ozone depletion, widespread desertification, and species loss. Most of today's young voters, however, will be alive. In this, perhaps the most important document of the decade on the future of the world, the urgency of changing certain policy decisions, some of which ...
