LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Sales of the Outlander plug-in hybrid fell sharply from April 2016 as a result of Mitsubishi's fuel mileage scandal. [84] The Outlander PHEV topped the Dutch monthly ranking of new car sales during November 2013, representing a market share of 6.8% of new passenger cars sold that month, and for the first time in the country, a plug-in electric vehicle was listed as the top selling new car.
