The result, Photo Guide to Fishes of the Maldives' is the first really comprehensive book on reef fishes of the Maldives. The book has been well received and Rudie's informative and easy to read style has struck a cord with both beginner and expert divers.

Photo Guide to Fishes of the Maldives: Kuitert, Rudie H ...

For an artistic fish photo, photograph the fish eye, or a pattern on its body. Go where no diver has gone before. Juvenile fish are beautiful, and often love habitats that other divers normally don't dive. Try shallow harbors at night, eelgrass, muck areas, piers & jetties like the Rapid Bay Jetty, etc for your fish photography.
