The Psychology of Terrorism: An Agenda for the 21st Century

Analysis of terrorism must be interdisciplinary, relying on secondary sources from history, political science, and sociology that provide case studies of individual terrorists and terrorist groups. Theoretical insights are often borrowed from other sources in psychology and adapted to an interpretation of terrorist activity and its consequences.

The Psychology of Political Terrorism

The last decade has seen a major shift in how nations prioritize issues of national and international security, with terrorism coming to the fore as one of the most significant threats with which to contend. Building on prior research in this area, this book presents an integrated collection of empirical and theoretical studies that examine how emotional responses to terrorism, and fear specifically, influence political processes.

Understanding terrorism - American Psychological Association

• Although early writings on the "psychology of terrorism" were based mostly in psychoanalytic theory (e.g., narcissism, hostility toward parents), most researchers have since moved on to other approaches. • People become terrorists in different ways, in different roles, and for different reasons.

Psychology of Terrorism - NCJRS

The Psychology of Terrorism. Clark R. McCauley, Professor of Psychology, Bryn Mawr College. 1. Terrorism as a Category of Violence. In a global war on terrorism, it is important to ask what we mean by terrorism. The usual definition of terrorism is something like "the use or threat of violence, by small groups against non-combatants of large groups, for avowed political goals."

Clark McCauley: The Psychology of Terrorism

During the past decade, we have witnessed a dramatic transformation in the nature and uses of terrorism. In the 70s, it was often repeated that terrorists "want a lot of people watching, not a lot of people dead"; today, it is more accurate to say that terrorists want a lot of people dead, and even more people crippled by fear and grief. A major strategic intent of modern terrorists is to use ...
