Wine And War The French

The French fought back by hiding a great deal of prewar wines in a variety of interesting ways from burying it to walling it in, to secreting it in caves. They also sold the Nazis a tremendous amount of wine under impressive labels that was actually, at best, table wine or vin ordinaire.

How France's champagne makers fooled Nazis

World War I cemented wine into French culture. Increasingly, wine became perceived as being acceptable (particularly when it was weaker than the liqueurs of old). Huge production and distribution networks sprang up to get supplies to the trenches, and campaigns were conducted to encourage citizens to conserve their wine for the war effort.

How World War I Turned France into a Nation of Wine Lovers

In 1940, France fell to the Nazis and almost immediately the German army began a campaign of pillaging one of the assets the French hold most dear: their wine. Like others in the French Resistance, winemakers mobilized to oppose their occupiers, but the tale of their extraordinary efforts has remained largely unknown until now.
